NEW ORDER/LOA. I understand I am entering into a contractual arrangement with Budget Phone, Inc. to act as my communications representative for all negotiations with local and long distance telecommunication carriers/providers. I also understand that my signature on this application acknowledges my authorization to allow Budget Phone, Inc. to handle all negotiations for service requests and the issuance of orders on my telephone service at the address I have provided on this agreement and on the phone number issued me by Budget Phone until further notice. If available and marked below, I authorize Budget Phone to install a carrier block on the issued phone number for all services for which I have contracted, including local, IntraLATA and/or long distance services, to protect against an unauthorized change in my services without my express consent. I have read Budget Phone's Terms and Conditions and agree to the provisions therein. I certify that all information provided here is true and correct.
